Photo Competition News Bogers wins honorable mention

Initially there were some remarks about the suitability of the theme NEWS for our annual photo competition. After one month of NEWS competition I'm happy to say that we received a lot of very interesting pictures. And as we hoped the pictures not only where just ordinary news photos but together they gave a great cross section of what is happening on our planet.

Above you see the picture of the new Dutch government presenting itself for the first time to the queen. The interesting thing about this picture is that it not only shows news but also the making of the news: the men and women behind the camera.

Bogers for this picture you receive an honorable mention in the category 'World News' and you win a T-shirt with the new Woophy logo.
