

Taxi fare

Georgina went home by taxi and the taxi fare was \$70, however, she just had \$65 in her purse. So she apologized to the taxi-driver and asked him a question, 'Driver, I can only give you \$65, so would you please kindly drive me backwards for some distance?'

On a train

The train officer asked David for his train ticket and after that, he asked David, 'How come you are on the express-train, I think you have to pay me the excess fare because your train ticket is just an ordinary ticket.'

David responded calmly, 'Oh, I see, I have no money but I have much time, so could you please drive the train slowly?'

Thesis

Mr. Chan was preparing his doctor thesis to be submitted by deadline and he was hurrying his wife to type the thesis faster. Mr. Chan said, 'Oh, if I have the chance to marry again, I will choose a wife who can type fast!' Mrs. Chan shouted in anger, 'Yes, if I marry again, I will definitely marry a man who got the doctoral degree, and so I don't need to type anymore.'
